"Following an exciting few months, I am delighted to have the new euNetworks Board of Directors in place," said Brady Rafuse, Chief Executive Officer of euNetworks. "I thank all our past board members for their time, commitment and continued support as we move ahead. I wish Joachim well as he moves on to new challenges in the future and respect his decision to take time with his family. We thank him for his leadership and contribution over the last few years. I am delighted to announce that Jennifer Smith takes on the position of Chief Financial Officer of euNetworks. Since joining the business in January 2013, Jennifer has made a huge contribution to our development, having led multiple rounds of debt fundraising for the company. She was also instrumental in Stonepeak's recent acquisition of a majority investment in euNetworks.
